Romain Duvernay Prestige

ADAGE CAIRANNE

SOIL TYPES:

The Grenache is rooted on south/southeast-facing Miocene slopes, covered with a surface of limestone pebbles, while the Syrah and Mourvèdre are located on a garrigue terroir, promoting the extraction of red and black fruit flavors, as well as peppery notes.

GRAPE VARIETIES:

60% Grenache, 25% Syrah, 15% Mourvèdre

VINIFICATION:

The grapes are destemmed, with aging for 10 months in concrete tanks with temperature control, followed by light filtration before bottling.

TASTING NOTES:

The nose reveals notes of black fruits and violet, while the fruity palate ends with hints of chocolate and roasting.

FOOD & WINE MATCHING:

Serve between 14°C and 16°C. Perfect with a piece of beef, dishes with flavorful sauces, and stuffed meats.

AWARDS:

92 Argent Decanter 2023.
